S.O. 371.—In pursuance of section 17 of the Industrial Disputes Act, 1947 (14 of 1947), the Central Government hereby publishes the following award of the Industrial Tribunal, Nagpur, in the industrial dispute between the employers in relation to Satak Mine of M/S. N. D. Zal & Co., Mining Proprietors, Kamptee, and their workmen.

BEFORE SHRI P. D. VYAS, CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL, NAGPUR AT BOMBAY.

(Sitting at Nagpur)

REFERENCE (CGIT) No. 9 OF 1958.

AN ADJUDICATION BETWEEN

The Employers in relation to Satak Mine of M/s. N. D. Zal & Co., Mining Proprietors, Kamptee,

AND

Their workmen.

In the matter of an industrial dispute *re.* Bonus and daily average wage with retrospective effect.

APPEARANCES:

Shri E. J. Mohari, Advocate—for the management.

Shri S. W. Dhabe, Advocate—for the workmen.

AWARD

In exercise of the powers conferred by clause (d) of sub-section (1) of section 10 of the Industrial Disputes Act, 1947 the Central Government was pleased to refer an industrial dispute between the employers in relation to Satak Mine of M/s. N. D. Zal & Co., Mining Proprietors, Kamptee and their workmen for adjudication to me under the order No. LR11/11(38)/58, dated the 21st May, 1958. The dispute relates to the matters specified in the schedule annexed to the said order of reference.

THE SCHEDULE

What should be the quantum of Bonus and the daily average wage in case of the workmen employed in Satak Manganese Mine of M/s. N. D. Zal & Co., Mining Proprietors, Mall Road, Kamptee, and what should be the retrospective effect in case of Bonus and Daily Average Wage?

2. On the usual notices being issued, the President, Provincial Rashtriya Manganese Khadan Prantik Kamgar Sangh has filed the statement of claims and the Mining Proprietors have filed the written statement on behalf of the Company.

3. It appears that the Manganese Mine owners have formed an association called M.P. Mineral Industry Association. Some of the Mine owners as members of this Association have entered into an agreement, dated the 17th November, 1957, with their workmen as represented by Rashtriya Manganese Khadan Prantik Kamgar Sangh (M.P. & B.P.). The agreement provides *inter alia* for the average wage of the workers employed on boulder and dump working atleast at Rs 1-7-0 per day and lays down conditions under which every underground piece-rated worker would be qualified to earn a certain attendance bonus. It is on the basis of this agreement that the claim on behalf of the workers concerned in the present reference has been made and these are the surface workers employed on boulder and dump working and those underground. It was alleged on behalf of the workmen that 37 Manganese Mine owners representing about 80 per cent of the mining area entered into the agreement in their capacity as members of the M.P. Mineral Industry Association and the present company though a member of the Association at the time of the agreement did not sign the same. In resisting the demand made on behalf of the workmen the company has denied *inter alia* the binding effect of the agreement in question.

4. At the time of the hearing after some discussion the parties arrived at an amicable settlement and requested that an award may be made in terms thereof.

I thus make my award in terms of the memorandum of settlement annexed hereto.

Dated 30th January, 1959.
